Boil Time	90 minutes
Yeast	Muntons Premium Gold
EBU Bitterness	42
ABV	4.9
Brewers Comments	The beer was entered as Double Hop Bitter but it was really a Golden Ale (in colour). The recipe assumed a mash efficiency of 65%. This beer won first prize in the gravity up to 1042 class at the Midlands Craft Brewing Festival in Derby on 31 March 2007 and also Champion beer. Judges feedback was – good malty nose and flavour. A good beer.
