**Belgian Beers - Vassos**

Our second get together since lockdown started and the pubs closed. 13 members joined using Zoom to listen Vassos talk about Belgian beer styles.

Last Saturday's meeting has been recorded so anyone who missed it can contact Sean for a download link.

**MCB Comp.**

Prior to lockdown, we had confirmed this club competition for July. For obvious reasons, this has not been possible to confirm.

John C has discussed with members the possibility of arranged a postal comp instead of our usual comp, but the consensus by 3:1 was to wait until the current restrictions are lifted and hold a physical comp then.

There will be plenty of time for those who have not brewed for the competition yet.

As it stands the competition will be either:

- Peroni style lager - Based on BJCP 2A International Pale Lager (<http://www.bjcp.org/style/2015/2/2A/>)
- 21B Rye IPA Based on BJCP 2A <http://www.bjcp.org/style/2015/21/21B/specialty-ipa-rye-ipa/>

with the top two beers of each style will go through to a final taste off to decide placings.

### **Next Meeting**

Our next get together has not been confirmed yet, but I would tentatively suggest Saturday 06/06/20 unless anyone has any strong feelings.

Please will you get in touch with me if you would like to cover any specific subject or present a topic at our next meeting.

Sean.
